**Attention Parents/Guardians of Students who Attend Gabriola Elementary School and Utilize School Bus Transportation**

It has been found necessary to alter Bus Route 13 which provides bus service to and from Gabriola Elementary School. This will only affect the after school returns as we will be combining the two current trips into one run in the afternoon. Morning bus service to Gabriola Elementary School and bus service to NDSS are NOT affected. Please see the following copy of the schedule below but note that these times may fluctuate:
